

Top -Tips for Pupils in Year 3

The number one top tip is to read, read, read! Please try to read with an adult every day, and get your Reading Record signed to earn points.

In Year 3, you will start learning the Tricky Words for Y3&4. We will practise them in class but any help at home will get you learning them much quicker. The word list can be found on our class page.

All children have a log in to Times-Tables Rock Stars and Purple Mash for extra learning fun. Keep your log-in safe in your Reading Record and make an extra copy at home. Only use the internet with adult supervision.

Here are some useful resources for the coming term:
