

2nd September 2017

Dear Parents / Carers,

Welcome to Early Years at Lethbridge Primary School. We are very excited about the new school year and all the exciting things we are going to learn. Our first topic this year is called '**Magical Me**' and as you can probably guess from the name, we will be providing the opportunity for the children to learn all about themselves. The topic web attached explains this in more detail.

Our main focus this term will be making sure that the children are happy and settled at school, become confident with the class routine and know their way around the EYFS unit.

If you would like to continue with the topic at home with your child, here are some ideas:

- Practise naming parts of the body
- Getting dressed and undressed independently
- Spotting numbers and letters the children know when out and about
- Think about the Golden Rules and how they can follow them at school
- Look at photos of themselves and talk about how they have changed
- Talk about how they can stay healthy

We look forward to seeing you at the Welcome Meeting on Wednesday 13th September, 12 - 12.30pm in your child's registration room, where we will talk in more detail about Early Years in our school.

If you have any queries or question please do not hesitate to ask a member of the team.

Yours faithfully,

The Early Years Team
