Dear Parents

I was informed on 5th July at 2.30pm that the licence for the Activ8 child care provision, who rent space from us, has been suspended by Ofsted with immediate effect for a period of no less than six weeks.

My first concern was to ensure that those children due to be looked after by Activ8 after school yesterday were safe and able to attend an after school provision. Due to the goodwill and flexibility of our staff we were able to do that. We have been able to secure a short term solution for the rest of this term to ensure that our families, who rely on before and after school childcare, are able to access provision on our school site. If you are a family who usually uses this provision you will receive a letter today outlining arrangements for the future but please be assured that your child will be able to attend before and after school provision and this will be managed by the School. I know how important it is for working parents to know that their childcare arrangements are secure and reliable and that is why, as a school, we are working hard to ensure there is minimal disruption to your usual routines.

As a result of Ofsted's decision, we have decided to terminate our lettings contract with Activ8. We are aware that the managers of Activ8 have not yet been in touch with all parents who use the service. I would like to assure you that since yesterday afternoon any child who has been at the after school or breakfast provision has been cared for by the School.

As you know, Lethbridge Primary School was recently inspected by Ofsted and continues to be judged as a good school with outstanding behaviour and safety of pupils. Safeguarding was once again highly praised in our report. As the Headteacher, I pride myself on the happiness and wellbeing of our children and the collaborative relationships we have between families and the school. I thank you for your cooperation and understanding.

Yours sincerely

Lisa Mayes

Headteacher
