Allergen Information

Fourteen major allergens are identified. For school purposes each menu choice will have numbers from 1-14 alongside. Please note that some menu choices will have more than 1 number. The list below identifies which number corresponds to which allergen. Not all allergies are included in the new legislation but be assured that we will continue to take each individual child's needs into account.

1: Celery (and celeriac).	8: Molluscs for example clams, mussels, whelks, oysters, snails and squid.
2: Cereals containing gluten.	9: Mustard.
3: Crustaceans for example, Prawns, crabs lobster and crayfish.	10: Nuts , such as almonds hazelnuts, walnuts, Pecan nuts, Brazil nuts, Pistachio, Cashew and Macadamia (Queensland) nuts.
4: Eggs.	11: Peanuts.
5: Fish.	12: Sesame.
6: Lupin.	13: Soybeans
7: Milk.	14: Sulphur Dioxide which is a preservative found in some dried fruit.
