

Term 3 Overview: Once Upon A Time...

Dear Parents/Carers,

In term 3 the children will learn about well-known traditional stories and tales such as The Gingerbread Man, Three Little Pigs and Three Billy Goats Gruff. We will look at how stories are structured, the story language and repetitive phrases used and explore the characters within each story. The topic web attached will outline some of these key themes in the term ahead along with additional learning. The children will also be very busy in term 3 during our whole school STEM week.

We appreciate that home life can get very busy however please continue to spend time reading at home, practising sounds from the sound folder and reading tricky words with your child. A little every night will really help support your child's learning at school.

We hope that you find this information useful and please remember that we are always available if you have any questions.

Thank you for your continued support,

The Early Years Team
